

Autumn Duchess: A Georgian Historical Romance (Roxton Family Saga) (Volume 3)

Lucinda Brant's writing is incredibly evocative, emotional, and a treat for the senses. Annette Blair, New York Times bestselling author, describes the setting as Hampshire, England, 1777. Antonia, Dowager Duchess of Roxton, has been mourning the loss of her soul mate for three long years. Her despair is all-consuming until into her life steps a devilishly handsome younger man. Unconventional and self-assured, wealthy merchant Jonathon Strang will stop at nothing to convince Antonia she can love again, and deeply. Autumn Duchess is widely regarded a classic and a rule breaker, a rare example of a much-loved heroine's second chance at love in the autumn of her life. Deeply emotional and uplifting, Autumn Duchess is the stand-alone story that takes the Roxton Family saga into the bold new future of the next generation, led by Antonia's son, the 6th Duke of Roxton. Awards for this book include the 2015 B.R.A.G. Medallion Honoree, 2012 Readers Favorite International Book Award Finalist, and 2012 RONE Awards Finalist. Reviews seldom have history and romance melded together with such beauty and delectable deliciousness than this! Pitch perfect yumminess from one of the brightest stars on the horizon!
