

## Three Hearts, One Town (Lincoln County Series Book 1)

More than courage, she needs faith. Forced to leave home and all shes ever known at nineteen, Cameron Engel heads for Lincoln County, Kansas, ready to explore life like never before. But she quickly realizes her inexperienced nature is no match for this rough and dangerous new town. She needs confidence and bravery to survive -- and shes determined to acquire both, even if it means making choices that in the end could destroy her. Gunslinger Jake Collins has that fearlessness and courage Cameron wants to possess, but she soon finds herself wanting Jake, a man shes been warned against. Andrew Jackson is the towns preacher. He offers Cameron a way of living and loving - shes never known until now. Two very different men, and for better or for worse, two very different loves. Torn by indecision, Cameron seeks to receive acceptance from the only one who can provide it. God. But has she gone too far by giving her heart in all the wrong ways? After coming into the knowledge of Gods true and unconditional love, she faces the toughest choice shes ever had to make. Jake or Andrew.
