

A Real Cowboy Never Says No (Wyoming Rebels)

New York Times bestselling author Stephanie Rowe delivers a heartwarming new series set in Rogue Valley, Wyoming, home to the Stockton brothers, a clan of fiercely loyal and honorable men, and the women who touch the hearts of these rugged, loner cowboys. The only reason rancher Chase Stockton and his brothers survived their brutal childhood was because they protected each other. Nothing will ever come between them until a sudden tragedy calls in a life debt Chase can't ignore, forcing him to make a choice that could destroy the very bonds that hold his family together. Mira Cabot has never asked for help, but when a sexy, protective cowboy makes her an offer she can't afford to refuse, she finds herself on her way to Wyoming to be the shotgun bride of a man she has every reason and no reason to trust.

The sizzling connection between Mira and Chase turns a rescue mission into something dangerously addictive, one that could either heal two broken hearts, or shatter them forever.
