

I've been bad again... When a woman needs more than just one man... but what will her husband think? When being watched adds a whole new dimension to that most intimate of activities... but on a first date? When turning others on is the biggest turn-on of all... and when the audience would rather watch you than the blue movie they've paid to see. Watch Me: a big and explicit boxed set of stories featuring open relationships, cuckoldry and exhibitionism. Stories about hot wives and their cuckolded husbands, and women who just like to be watched - for adults only! Click the book cover above to look inside and see full details of all the books included in this box set - descriptions too explicit to post here! (The stories in this bargain boxed set are also available separately.)
