

Her Young Millionaire Lover

Sophie is English, divorced, living in Singapore and bored, Bored, BORED! But is she ready for handsome, exotic, young Adrian Pereira? Several years ago, Sophie Ogden moved to Singapore with her banker husband, Tim. However, when they got divorced, Tim moved back to the UK, leaving Sophie to carve herself a new life in the modern Asian metropolis. Unfortunately, things haven't turned out the way she hoped. Although she has a rewarding career, she's restless, wondering if this is as good as life gets. Cajoled into attending a masquerade ball for charity, Sophie meets a charming stranger and spends the night with him, indulging in hot steamy sex. The problem comes when he wants to see more of her, and Sophie has to confront her own insecurities. After all, she's more than ten years his senior. Is there any hope for a relationship between them? Or was the sizzle a mere flash in the pan? (2016 update: This book, previously titled SINGAPORE SIZZLE, has been re-edited for this edition. Additionally, a compact list of people, places and things has been added.)
