

This is the third book in the Devotion series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Just when things seem to be going right Tiffany returns home one night to find her ex firmly ensconced within. He has been fighting to keep her from divorcing him and since she did not have the money to push it through he still has the right to enter their joint property. Afraid that Craig will not understand, she does not tell him, but he finds out and tells her she needs to get out. Tiffany's pride will not let her listen but after an encounter with her ex turns ugly she decides to go to Craig's, only to find him kissing another woman. Or so it seems. This ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
