

## Tripping on Coconuts: An Authors Adventures and Misadventures in the Florida Keys

After visiting the sun-soaked Florida Keys for more than forty years, author Tom Winton and his wife have rubbed shoulders with more than a few of the hucksters, dreamers, pirates, and colorful characters that frequent the magical string of islands. Now he has written TRIPPING ON COCONUTS, a true account of the adventuresome couples memorable times, zaniest escapades, and sometimes downright dangerous experiences. As you read this book youll feel like you, too, are risking your life during their daring rescue attempt in treacherous seas. Youll envision every quirk at their funky, ten-minute, Key West wedding. Youll learn what it feels like to have a shotgun pointed at your back when out in the ocean late at night, and join the Wintons on many more of their exploits from Key Largo all the down way to Key West. So slap on some suntan oil, mix a Margarita and come TRIPPING ON COCONUTS to a fascinating place where memories are made.
