By Patsy Kimball 5.0 out of 5 stars Excellent book!, December 22, 2014 It was truly refreshing to read an outstanding storyline without the usual smut and profanity you normally find. I could barely put the book down until I finished. Going to Amazon right now to get more books written by Katie. I will look specifically for her Christian books! By EKM 5.0 out of 5 stars fun easy read, December 13, 2014 I was smiling the entire time I was reading this. I will definitely read more from this author. By Pamela About the Author Katie Ingersoll has not always written spiritual and Christian Romance novels. After going through her own personal trials and crisis of faith, she emerged spiritually transformed. Now she writes primarily spiritual and Christian Romance as a way of telling beautiful love stories, and as a way of sharing the real power of God in peoples lives.
