

## Violet Fire (The Bragg Saga)

A scion of the imperious Bragg family, golden-boy Rathe Bragg finds a society party all rather a yawn until a feisty suffragette bursts into the room. Wielding a six-shooter and shrieking feminist slogans from atop the grand piano, the impassioned lady makes a startling first impression on those gathered, especially Rathe -- and from that moment the sparks between them only intensify. Irrepressible Grace O'Rourke, an intensely devout feminist, has outraged the entire town of Natchez with her radical ideas, and soon infuriates Rathe with her lack of regard for any opinions other than her own. Yet, despite her steadfast devotion to her cause, Grace warms to the virile gallant. But his bold suggestion of becoming his mistress stings the proud Grace, and she firmly rejects his scandalous proposition. But telling a Bragg no is the ultimate stimulant, and now, Rathe ardently pursues the lady whose eyes are ignited by a violet fire. Enjoy the entire Bragg saga --
