

FADE (Kailin Gows FADE Series: Book 1)

What if you found out you never existed? My name is Celestra Caine. I am seventeen years old, which makes me a senior at Richmond High. I never thought this would happen to me, but it has... Im one of those people you see every day, go to school with, remember seeing at the supermarket or the mall, and then one day you dont hear about them any longer. Theyre gone, and eventually, you forget them. FADE - Available Now Falling (FADE #2) - Available Now Forgotten (FADE #3) - 2012
