

Supreme has rattled the last nerve that Jules has left, and in an effort to finally be rid of him, he brings one of the baddest chicks from Miami to join his team. Shaka is the female version of the Baptiste boys, and with her joining the crew, heat comes to the city faster than anybody can blink. An unsuspecting hero comes along and does for Lyric what she feels Jules should have, and that causes tension in their marriage. Jules is determined to get his marriage back to where it was and he doesn't care who he has to eliminate to get it done. In true Baptiste boys fashion, this finale is going to rock the city.
