

Hansels Bear (Erotic Shifter Fairy Tales) (Volume 3)

Hansel has always been a loner. A were-bear with a dark history he can't shake. Evil men claimed his youth, ravaging it mercilessly. Now he can't consider or think about a future until he rights every wrong. Greta has worked hard at hiding a horrible memory behind her sweet smile. However, the day a male, she always tried to think of as a brother, comes blazing into Den County, he turns her life upside down and makes her face the past. When a mutual enemy returns, will it tear them apart once again? Soon the time will come when Greta has to decide if she's were enough to be Hansel's Bear.
