

Claimed by the Mate, Vol. 2: A BBW Shifter/Werewolf 2-in-1 Romance

Kate Douglas and A.C. Arthur return with another scorching volume in their Claimed by the Mate series featuring two delicious, unforgettable novels in one! In Wild Passions by Kate Douglas, six women friends closer than sisters head off to an exclusive mountain resort for a week-long bachelorette getaway, where most of the women just want to know if there are any good men left in the world. There are, and they're the men of Feral Passions, a unique resort located on a private wolf preserve, owned and run by a pack of sexy werewolves who use it as their own personal hunting ground for mates. In Her Perfect Mates, Malec Zenta was part of a loving lycan family until his twin brothers' suicide took a piece of his soul. Channing Verdi never knew his parents, but that was fine because at the age of sixteen on the night of the full moon, he realized his purpose. The only pleasure these two betas have managed to find in their life was in the bed with the women they shared. Now, a human woman has entered their lives...a woman who sets their primal instincts on fire, a woman they can't help but stake their claim on...and give her the ultimate pleasure of being with two shifters at once.
