

## Love Charm for Carlotta (A Novella in the Love Charm Series): Love Charm Series

Love Charm for Carlotta - The third contemporary romance novella in the Love Charms Series Love Charm for Carlotta: - Carlotta doesn't believe in love charms. Especially not when the bad boy hockey player from her past suddenly re-appears in her life. Has the love charm brought him back to her? She doesn't intend to find out. But, in the small town island atmosphere of Marthas Vineyard, it's hard to escape your past. Do people change, or will she be courting heartbreak again if she succumbs once more to her high school sweetheart? Other novellas in the Love Charm Series: Love Charm for Ashley - A lonely teacher casts her homemade love charm into the cold waters of Boston Harbor to win a forever after love. The hot Special Forces soldier who appears makes the world his stomping ground, and nothing lasts for more than a night. Does the love charm have enough power to create the magic of true love? Love Charm for Brenna - Brenna casts her love charm at a ritzy Venetian masquerade ball. She knows exactly which guy she wants to win. But two intriguing men appear at the ball. Can she see beneath the disguises to her own true love, even if he's the unexpected one? Love Charm for Dakota - Nantucket is the home of hedge fund titans, old money and hidebound tradition. This is Cabot Salt on stalls, sedate and comfortable world. Until Dakota Bishop, possessor of a wild spirit and a magical love charm, blows in on a cold, Christmasy kind of day. Dakota can't stay still long enough for anyone to tie her down, nor is Cabot the right kind of guy for her. If only he'd have sex with her so she could get him out of her system. And if sex doesn't work, does she know enough of witchcraft to overcome the spell of the accidentally cast love charm? Love Charm for Fiona (available only in the Seduction anthology) - When Fiona receives a fortuneteller's love charm, she casts the spell to bring her dead fiance back

to life. But a love charm has its own magic, and what she gets is a surprise in the form of a Navy SEAL on shore leave. Reviewers say: Each of the four novellas in this bundle is a pretty quick and fun read, featuring interesting characters and a bit of steamy romance too. Emsy van Wyck on Goodreads These stories were all quick, sexy and fun with just the right amount of heat for the story. Steph on Goodreads.
