

Noble Satyr: A Georgian Historical Romance (Roxton Family Saga) (Volume 1)

Lucinda Brants books are absolutely wonderful. She makes the Georgian era come alive as no one else can! Cynthia Wright, New York Times bestseller and author of Caroline Roxton Family Saga prequel, set 25 years prior to Book 2 *Midnight Marriage* 1740s France and England. Abandoned to fend for herself at the court of Versailles, Antonia turns to her distant cousin, the all-powerful Duke of Roxton, to help her escape the attentions of a lecherous nobleman. Roxton is an unlikely savior arrogant, promiscuous, and sinister. Antonia's unquestioning belief in him may just be his salvation, and her undoing. This award-winning historical pays homage to Georgette Heyers' *These Old Shades*. Awards for this Book: Winner of the \$10,000 *Womans Day/Random House Romantic Fiction Prize* 2014 Readers Favorite International Book Award Medalist: Romance-Historical 2014 Readers Favorite International Book Award Finalist: Fiction-Historical Romance Writers of Australia Romantic Novel of the Year Finalist Review: It is the golden age of French aristocratic life in the court of Louis XV. Beneath the posturing and hedonism lies a seething hotbed of intrigue, deceit, and treachery characters live and breathe the atmosphere of the time; they are captivating, from the primary players, right down to the smaller, but no less important characters. Ultimately, this is a passionate romance, with added action and adventure, derring-do, and some narrow escapes! I loved it. Fiona Ingram: 5 STARS, a Readers Favorite International Book Award Medalist Book Details Series: Stand-alone prequel and first book in the highly acclaimed ROXTON family saga Classification: Parental Guidance Recommended (mild sensuality) Length: Full-length novel (122,000 words, 408 printed pages) Previously Published: Originally published in print by Random House Style: Classic romance with a

modern voice
Connecting Books
NOBLE SATYR is a stand-alone novel, but many readers enjoy it as part of a series: Lucinda's characters inhabit the same meticulously-researched 18th Century world and all books cross-reference people and events throughout. You can explore the details and delve deeper into the history within each book by visiting [Lucinda Brant Author](#) on Pinterest. Should you wish to read the books in chronological order, here is the sequence:
