

Hoes Be Winning: Hoes Need Love Too (Volume 1)

Hoes be winning at least that's what they say anyway. This was Meka's motto and creed she lived by. She figured why play into that goodie two shoes bullshit when good girls always end up on the bottom anyway. Fuck what you heard, what's good for a man is damn sure good as hell for a woman as well. These niggas out here were living by one rule only money over bitches. Why the hell should she be the one who gave a fuck? Now if only she could convince her girl Nicole to be bout that life. Hell it wasn't like being a good girl had gotten her anywhere. She had been cheated on too many times to count. Nicole always took Meka's advice with a grain of salt but when she finds out about her current boo DonTraviouss whorish ways it sends her over the edge. When Nicole finally gets fed up she meets Kendrick. And after one night of passion opens her eyes to what she has been missing out on all this time. Who knows maybe Meka was right. Hoes definitely be winning but not without a price. Join Nicole, DonTraviouss, Meka, Antonio and the rest of the crew for a tale of true ghetto messiness.
