

Northern Lights

Lunacy, Alaska - population 506 - is Nate Burkes last chance. As a Baltimore cop, he had watched his partner die - and the guilt still haunts him. With nowhere else to go, he accepts a job as Chief of Police in this freezing, remote town, where darkness falls by mid-afternoon. Its a big change - maybe too big. But just as hes beginning to wonder if this has all been a terrible mistake, an unexpected kiss with feisty bush pilot Meg Galloway under the brilliant Northern Lights lifts his spirit and convinces him to stay a little longer. However, when Nate uncovers an old unsolved crime, he discovers that Lunacy isnt quite the sleepy little backwater he imagined. And his discovery will threaten the new life - and the new love - he never dreamed hed find ...
