

Stud (The Cat Star Chronicles)

They're galaxies apart...but one force can bring them together. Even for a Zetithian, Tarq Zulveidinoe's sexual prowess is legendary. Believing it's all for good, Tarq sets out to perpetuate his threatened species by offering his services to women across the galaxy. Lucinda Force is the sensitive dark horse in a self-absorbed family, repeatedly told that no man will ever want such a plain woman. Lucy longs for romance, but is resigned to her loveless lot in life—until Tarq walks through the door of her father's restaurant on Talus Five. The eighth installment in the wildly popular Cat Star Chronicles, a paranormal romance series featuring heroes with a feline gene that gives them remarkable sexual powers.
