If you havent already, please check out the full length novel, LETTERS TO NOWHERE to read how the story began. ABOUT RETURN TO YOU (Letters to Nowhere Volume 3) How many dreams can you chase at once? Even with bad boy, TJ, disrupting their morning workouts, Karen and Stevies daily battles with each other are sure to bring both of them closer to a national title at next months championships. Its the kind of feud that creates winning results. Until a fall from the uneven bars shakes Karens rock-solid confidence. Not only does she balk every time she so much as attempts a routine, shes also facing all this without much support from Jordan. After receiving some bad news, Jordans reluctance to listen to reason causes Karen so much frustration she begins to avoid him, needing space to deal with her own issues. He needs someone to force him to make the right choice, he needs his dad to intervene and Karen knows this, but is torn between her loyalty to Jordan and her concern for her coachs son. Even though both paths lead to the same person Jordanit feels like shes choosing between two different people. And then theres the growing tension between TJ and Stevie. Theyre obviously on the verge of either ripping each others heads off or ripping each others clothes off. Its hard for either Jordan or Karen to tell where those two are headed. Tension is building from every possible outlet and theres bound to be an explosion of some kind in the very near future.
