

Mail Order Bride: An Orphaned Baby for the Unsuspecting Bride (A Clean Western Inspirational Romance) (Mail Order Bride Christian Romance)

Will love help A Mail Order Bride overcome her worst fears? In the late 19th century, Elizabeth Handel is left destitute and alone after her father and mother are killed. Elizabeths world completely disintegrates. Her father, a politician, ex-advisor to President Lincoln, leaves her with no security, no inheritance, no future. With no other option, Elizabeth moves to Nevada to join a man looking for a bride. Her life on a farm after the glamor of a wealthy family makes Elizabeth feel she is destined to be miserable for the rest of her life. Elizabeth used to have a gardener. A housekeeper. A buggy driver. A groundskeeper. Now she, herself, is a farmhand. The worst that could happen to her. But Tyler is determined to change her mind about that. He sees past the haughtiness and selfishness to a delicate, fragile inner beauty. So when tragedy strikes, Elizabeth must face an ever more daunting task. Become the mother of an orphaned baby. The newlyweds must both make a final decision. Will they stay together? Can he bring out in her the inner beauty he knows is there? Or is he making the biggest mistake of his life even trying?

This is a short-story romance with NO cliffhanger and includes various bonus stories at the end. Enjoy! Tags: Mail Order Bride, Clean Romance, Western Romance, Historical Western Romance, Christian Romance
