

Sam and Delilah: Dangerously Dark Shifter Romance

After spending fifteen years in prison for a crime he didn't commit, Sam tracks down the woman he holds responsible. Delilah testified she saw him murder his wife. No way was that possible. The moon had been full that night. He'd been in the woods, inhabiting his shifted form. Will Delilah be able to reason with Sam before his inner beast takes hold? A dangerously dark shifter romance novelette.
