

Settling Ashes: A New Adult/College Romance (The Ashes Series Book 2)

He broke her heart, but she's missing the largest piece of the puzzle. Paige Hill is no stranger to physical pain, but the ache that plagues her heart is an entirely new kind of hurt. She left Rutherford to escape it, but did she make a huge mistake? Her ex-boyfriend Beau, who scooped up the broken pieces of Paige like he never got the chance in their past, doesn't think so. He wants her to stay. Clay Forbes can't eat, can't sleep, and can't fight the murder charge that hangs like a guillotine over his head. None of it matters if Paige won't forgive him. He'll do anything to find her and bring her home. But how safe will that home be when the two are finally reunited? It seems the death of Hannah Davis is definitely unfinished business in their small college town, and someone is still on a mission to keep Clay and Paige apart this time forever.
