

Hat Trick (The Black Jack Gentlemen Book 4)

Detroit's expansion pro team has a hot star forward, fresh from the English Premier League. Thanks to a series of fatal misunderstandings coupled with his famous temper, Declan MacGuire only has one thing left to him: soccer and he's determined not to make the same mistakes in his new life stateside. Emily Keller, an accidental low-level PR flunkie for the team watches as Declan gets sucked into a whirlwind romance with Cassandra Dean, the team's Queen Bee groupie, trying not to be jealous while the woman maneuvers him into a sickeningly familiar situation. When things escalate, the team is forced to take sides, and Declan faces the toughest choice of his life.
