

Source Control: The Outsourcing Playbook for Unstoppable Entrepreneurs

Born of equal-parts necessity & frustration, Source Control is the definitive outsourcing primer for small-business owners and solo entrepreneurs. Leveraging the global talent-pool is no longer a privilege reserved for major corporations. Source Control explains the core concepts needed to use agile outsourcing to compete directly with the biggest players in your industry - and win. With a focus on clearly-defined business processes and minimizing risk, you'll quickly realize the disruptive potential of the global talent pool - waiting for any entrepreneur savvy enough to tap into it.
