

## Straight Up and Personal: The World According to Grapes

There's no holding him back. Known for his opinions--and unabashed expression of them--Don Cherry has been causing debate for decades. Topics on Coaches Corner sometimes veer away from sports and on to other matters that are near and dear to Cherry's heart: the war in Afghanistan and politics, among many others. In *Straight Up and Personal*, Cherry shares his thoughts on a broader range of issues than he ever has before. He shares some of his personal experiences on and off the ice, and offers the lessons he's learned along the way. This is Don Cherry: straight up and personal.
