

The Littlest Cowboy (The Texas Brands Book 1)

Baby on his Doorstep! Sheriff Garrett Brand has raised his entire brood of siblings single-handedly, and he's done his best to teach them some values, to mold them into honorable, responsible, and trustworthy human beings. So when a baby lands on the doorstep of the Texas Brand, his first question is which younger brother is in for a butt-kicking? But the little fellow isn't named after Ben, or Wes, or Adam, or Elliot. The little fellow is named after him—Garrett Ethan Brand—according to the note his mama left behind. He's still racking his brain to figure it all out, when a woman shows up at the ranch in the dead of night, spitting, fighting mad, and accusing Garrett of murdering her sister and stealing the baby! Chelsea is confused, heartbroken, and too mad to think straight, and the same trouble that found her poor sister is right on her tail. But of all the places she and the baby could've wound up, Garrett thinks this ranch is the best one. Because this is one family that knows how to pull together and trouble doesn't stand a chance against The Brands of Texas.
