

Ronan Im sorry for everything... Sweet Jesus! Ive messed up the best things that ever happened to me. My lust for another woman has caused me to lose everything I value in this life the most. My sweet Ruby and my dear children may be lost to me forever. Now, Im miserable because of the mess Ive made. I, Ronan Michaels, have single handedly broken up my family. I have to make it right and fast because there is another man lurking in the shadows, Ruby belongs to me and no other man can or will have her. Shes my beginning and ending. Without her, I will fade away into nothingness. Can you imagine me without my sweet Ruby? Never! I will fix what I broke. This is my vow. Ruby Oh God! My once happy home has turned into a place I despise. Im broken...I dont know if I will ever heal. The pain some days are intolerable. I pray and try to stay strong for my children. Even when I cant be strong for myself. I didnt think Ronan could hurt me any more than he already had, but hes proved me wrong this time. The lies, the betrayal has finally taken its toll on my heart and soul. No apology or confession of his love for me will ever fix this mess. I, Ruby Michaels, have finally had enough! Maybe Ronan and I are better suited apart and in the arms of another. Will another love me better? Only time can tell. Trying to love two is never easy to do. Someone will always get the short end of the stick. You dance with the devil and there is always hell to pay. Will love mend broken hearts and bring a family back together again? Or will the Michaels marriage go up in smoke...leaving nothing but burning embers in its wake.
