

Kwanzaa Angel (The Holiday Collection Book 3)

Erin Scott withstood the humiliation of being abandoned at a high school prom by the man of her dreams. Channeling her personal feelings into work, Erin opened a department store which now flourishes and is about to expand. Just as her family gathers for the Kwanzaa celebration, her nemesis returns to town, opening old wounds and throwing her life in to passionate chaos. Raimi Price regretted his decision almost as soon as he made it, but he couldn't undo it. Now sixteen years later he's back, hoping to stay, but reconciling with Erin Scott is a major priority. When he discovers they are both bidding on the same piece of property his romantic plans stall. Then history threatens to repeat itself complicating matters more. Can these two bridge the gap and find a lasting love?
