

Self Publishing Successfully: A 20-Step Guide

In this book Michael Williams both a publisher and a self publishing author shares his secrets which he has used over many years on how to produce a best-selling book quickly and successfully. Within these pages you will gain invaluable information on how to produce your very own book successfully step-by-step. Williams cuts through all the publishing jargon and gets straight to the point making your self-publishing journey an easy and joyful experience. Michael Williams points out that you don't have to be the best writer to create a best-seller you just need to be empowered with a few essential tools which I've presented in this guide book. - Enjoy reading.
