

The Perfect Play (A Play-by-Play Novel)

From the national bestselling author of *Riding the Night* comes an erotic story about love and the games people play. The last thing event planner Tara Lincoln needs is the jet-set lifestyle of a football pro like Mick Riley; even though their steamy and passionate one-night stand proved that Mick is an all-star—both on the field and in the bedroom. Tara played the game of love once and lost big, and she doesn't intend to put herself out there again, especially with a certified heartbreaker. But when Mick sets his mind to win, nothing will stop him. And he has the perfect play in mind to catch this sultry vixen.
