Two of Paige Tylers Bestselling Hot Cowboy Menage Romances in a Special Two-Book Set! KARLEIGHS COWBOYS Karleigh Blake hasnt take a vacation in years, so when her friend talks her into coming out to her Colorado ranch for some fun and relaxation, she jumps at the chance. Once there, she meets up with two hot and hunky ranch hands named Holden Donnelly and Mav Ryan who definitely know how to show a girl a good time. It starts as two separate rolls in the hay, and shes concerned she isnt going to be able to hide that shes sleeping with both of them. Shes surprised when the two cowboys compare notes and decide they dont mind sharing her as long as they can do it at the same time! AND THE RANCH HAND MAKES THREE In this sequel to Karleighs Cowboys, Heather Collins and her husband Clint hire hunky new ranch hand Blaine Saunders. While he clearly has the qualifications to work on a ranch, Heather and Clint are more interested in how good he is in bed. Clint gets turned on by watching his wife have sex with other men, and since Heather is more than happy to oblige, she doesnt waste any time seducing Blaine. She and the new ranch hand go from knocking boots in the barn to putting on a show for her husband before finally engaging in a kinky threesome that involves bondage, spanking and some scorching hot sex for all three of them.
