

Trusting Bull: Savage Brothers MC

Ill show this single mom what it really means to grab a bull by the horns. Shes in for a wild ride. Bull I lost my way a longtime ago. Then I meet Skye. The doctor, with the pouty lips and legs that last for days. Shes mouthy, uptight, and way out of my league. But its too late. Ive decided I want her, and for more than just an eight second ride. Even if shes bringing a world of danger with her-- Shes mine, and Im not giving her up. Skye The minute I laid eyes on the tall, broad shouldered and beautifully sculpted male lying on the hospital bed, I knew I was in trouble. He says his name is Bull. Ive seen what hes packing, and trust me, the name fits. Im his doctor. Im a single mom. Im not reckless. I cant afford to be. I cant fall for a man like him...a wild biker. Not even if he makes my heart race and my knees weak. I cant. Not even when he vows to protect me from someone who wants me dead. The problem is, its too late. Hes already in my thoughts, my dreams, and my bed. Whats a good girl to do when obsessed with the ultimate bad boy? Complete Stand Alone Book. Full Length 64,000 words. The kindle file goes on for twp more books past Trusting Bull. Contains Trusting Bull, Saving Dancer, and Loving Nicole
