

Hidden Gifts (A Castle Mountain Lodge Romance Book 2)

When you're looking for a little escape to the rugged mountain landscape that's as beautiful as it is wild, unwind at Castle Mountain Lodge. Morgan's looking to hide out from her life, but what she's not counting on is Bo, the handsome and rugged mountain guide at The Lodge who has his own heartache to bear and his troubled little girl who sneaks her way into Morgan's heart. Opening her heart again means opening herself up to the hurt that threatened to destroy her once. But if she can let down her guard long enough, Morgan might just see that everything she's been looking for is right in front of her. If it's not too late. ~A sweet, contemporary romance~***
