

Wolfsgate

A sensual 18th century tale of deception and revenge, and the healing of two souls hungering for love and absolution. My resurrection, they call it. They have no bloody idea. Shipwrecked and lost, left for dead, Abandoned by my own family. Drugged and addicted. My wife saved me, brought me home. I didnt even know I had a wifecan I trust her? I know I want her. Desperately. We are two of a kindthe manipulated, the tossed off, the rejected. Bitter disappointments, painful secrets, age-old jealousies are my new shipwreck, and my wife my new opium. Is satisfaction to be found in revenge or revenge in satisfaction? One thing I do know, without each other were both doomed. Please note: This work of historical romance fiction contains graphic language, sexual scenes, and material some readers may find objectionable and is intended for mature readers only.
